Oh, the Places You'll Go!

Congratulations!
Today is your day.
You're off to Great Places!
You're off and away!
You have brains in your head.
You have feet in your shoes.
You can steer yourself
any direction you choose.
You're on your own. And you know what you know.
And YOU are the guy who'll decide where to go.
You'll look up and down streets. Look 'em over with care.
About some you will say, "I don't choose to go there."
With your head full of brains and your shoes full of feet,
you're too smart to go down any not-so-good street.
And you may not find any
you'll want to go down.
In that case, of course,
you'll head straight out of town.
It's opener there
in the wide open air.
Out there things can happen
and frequently do
to people as brainy
and footsy as you.
And when things start to happen,
don't worry. Don't stew.
Just go right along.
You'll start happening too.
Oh! THE PLACES YOU'LL GO!
You'll be on your way up!
You'll be seeing great sights!
You'll join the fliers
who soar to high heights.
You won't lag behind, because you'll soon take the lead.
Wherever you fly, you'll be best of the best.
Wherever you go, you will top all the rest.
Except when you don't.
Because, sometimes, you won't.
I'm sorry to say so
but, sadly, it's true
that Bang-ups
and Hang-ups
can happen to you.
You can get all hung up
in a prickle-ly perch.
And your gang will fly on.
You'll be left in a Lurch.
You'll come down from the Lurch
with an unpleasant bump.
And the chances are, then,
that you'll be in a Slump.
And when you're in a Slump,
you're not in for much fun.
Un-slumping yourself
is not easily done.
You will come to a place where the streets are not marked.

Some windows are lighted. But mostly they're darked.
A place you could sprain both your elbow and chin!
Do you dare to stay out? Do you dare to go in?
How much can you lose? How much can you win?
And IF you go in, should you turn left or right . . .
or right-and-three-quarters? Or, maybe, not quite?
Or go around back and sneak in from behind?
Simple it's not, I'm afraid you will find,
for a mind-maker-upper to make up his mind.
You can get so confused
that you'll start in to race
down long wiggled roads at a break-necking pace
and grind on for miles across weirdish space,
headed, I fear, toward a most useless place.
The Waiting Place . . .
. . . for people just waiting.
Waiting for a train to go
or a bus to come, or a plane to go
or the mail to come, or the rain to go
or the phone to ring, or the snow to snow
or waiting around for a Yes or No
or waiting for their hair to grow.
Everyone is just waiting.
NO! That's not for you!
Oh, the places you'll go! There is fun to be done!
There are points to be scored. There are games to be won.
And the magical things you can do with that ball
will make you the winning-est winner of all.
Fame! You'll be famous as famous can be,
with the whole wide world watching you win on TV.
Except when they don't
Because, sometimes, they won't
I'm afraid that sometimes you'll play lonely games too.
Games you can't win cause you'll play against you.
You'll get mixed up, of course, as you already know.
You'll get mixed up with many strange birds as you go.
So be sure when you step.
Step with care and great tact and remember that Life's
a Great Balancing Act.
Just never forget to be dexterous and deft.
And never mix up your right foot with your left.
And will you succeed?
Yes! You will, indeed!
(98 and ¾ percent guaranteed.)
KID YOU'LL MOVE MOUNTAINS!
So . . . be your name buxbaum or bixby or Bray
or Mordecai Ali Van Allen O'Shea,
you're off to Great Places!
Today is your day!
Your mountain is waiting.
So . . . get on your way!

— Dr. Seuss

Goodbye from the class of 1992! '93, '94 and '95: We wish you luck.

SWS

SCOTT PRICE

"Exactly WHAT IS SWS?" That's The Question We asked Four ordinary citizens in our Special Round-Table Discussion. REAL RESPONSES!!!

AH, SWS... A menagerie of sorts, which vaunts its venal vagaries through the somewhat dubious distinctions of its own callow indolence... But, of course, any sententious averment on the quality of the institution that I might make is vitiated by my own egregious nescience with regards to this issue, and thus my own asseverations must be adjudged as merely ancillary to those of my peers in this discussion.

PROFESSOR STEVENSON, HAVERFORD COLLEGE

Oh, sure! SWS! I'm not quite sure whether I can see the professor's point, but I'm pretty sure we're both talkin' about the new model Rotary Capacitator. That's right - oh darn it, how's the slogan go - It "seeds with Style!" And I must say yer helpin' me properly dispose of manure, which sure's hell kin be a messy deal, hee-hee!!

FARMER GINZBURG, WEST BUMFUG

Heh heh - Purdy L'il Miss Ginzburg durn't know what she's tawkin' about!! Although I reckon she's on the right track about that thar doo-doo stuff... 'Cuz SWS is in deep doo-doo as far as ah'm concerned. That buncha sicko commie agitators are gunna hafta git down off their donkeys and git "Trunk"-cated! Har-Har!! Hyuk-Hyuk! Cough - snort.

MR. BOYER, REPUBLICAN PARTY CHAIRMAN

SWS, huh?? Isn't that one of them new plasma amps? Or wait - no - yer talkin' about Sudden Withdrawl Syndrome, I think, from when you come down after major Tranquilizer's - I have that! Or no - I know, it's another video channel, huh! Is this some kind of trick question?? Do I get paid to do this?? Where's my agent??

BACK ROW: Coach Jay Falvey,Head Coach Fred Dennen, Coach Lannigan

This season, the football team proved that we were indeed 35 guys in a street fight. After a four game road trip, which we split (although if we hadn't played Brockton and we had beaten Wellesley we'd prbably be undefeated), we came home and remained unbeaten on the turf. It was only through hard work and numerous team meetings that we were able to accomplish this feat. We, the captains, would like to extend our thanks to the team. First, the offense led by the backwards quarterback Steve Nelson who is joined in the backfield by the Booty Bros. Zimmy and Non, and the black Al Chow LJC. Split out at wide receiver is Andrew the headcase Gamere coupled with a line of Matt the Cat Golden (purr . . .), Brent House Smith, EO, Freemont, Red Bush, Jay Mahon, and Reynolds. Filling in at TE, Gonzo the sushi lover. Also, our defensive specialists: Santa Chad Barker Kiki McKeigue, Sh — y, P-Dog the DE, Steelhead Gilchrest, and Tissue Tito Jackson. Finally our crazed special teams players: Chandler, Hinky, Gravelle, Gaffy, Darnell, and Dan Smith. We'd also like to thank Coaches Lanagan, Falvey, Fisher, and to the best Head Coach in the state, Coach Dennen. To Walter Norton Sr., and Walt Jr. thanks for all the hours you put in over the summer.

After back to back Carey Division Titles, we wish next year's team good luck in keeping B-line pride alive. You know it's dope.

— The Captains,
Kenan Bigby & Andrew Gamere

Top row l-r: Yoanna Maitre, Abby Friedland, Jill Patey, Beth McDonald, Rachel Price, Gayle Gunn, jenny Segel, Abby Fowlkes, Jane McDonald, Emily Spencer, Kate Lorch, Jenny Pantalone Mr. Coombs.
Middle row left to right: Molly Tolkoff, Alycia Cummings, Tammy Olsen Angele Fraiser, Alexa Gutheil, Shana Berger, Germain Lee
Front Row Left to Right: Alyssa Karp, Maria Hennessey

It's 2:30p.m., the girl's soccer team is getting warmed up before their game. The five people that are on time start to run their lap. Then, out of the trainer's room pours half the team. Gayle has half her legs taped up to cover her bruises, Angele has her vicious face mask on (lookin' sexy) and Shana can't do anything to get rid of her hobble no matter how well her shins are taped.

Now that our injury-free team is on the field, we run our lap. What a surprise, a car just drove by and Emily S. stuck her head out, "Can't come to practice today, dentist appointment" (Albert must be good at cleaning teeth by now.) As we finish our lap, Alyssa and Maria form the circle, and as they slap five, they trip on each other's feet and fall on their butts (coordination demonstrated by the captains). Yoanna and Jenny P. sit together and have a little chat while Jenny S. graces us with her singing. We can't miss out on Abby Fowlkes tragic love stories (Jason has mono).

After our intense stretching session, we all kick around. Kate trots away with her miniscule steps, and Alexa and Jane get inspected by the refs (those knee braces can be dangerous). Beth, Jane, oh Beth. Who knows the real difference? They're not related.

When the game begins, you can see Alicia thrust little elbows into her opponent, and Molly is there to back up anyone who needs support. Tammy slide tackled someone, or maybe she just fell. Whichever, she sure likes the ground. Germaine always stands her own, and in the distance Jill yells at herself. In the distance it's a bird, it's a plane, no, it's the blob of spaghetti! It's Rachel. When the game is over, you can find Abby Friedland yelling at the refs. We were awesome and we scored goals! See ya next year . . . psyche! We're outta here! Love,

Alyssa and Maria

All must agree that this year's boys soccer team did not have the best of seasons. We'll let our record (1-14-1) speak for itself. We had style though. Good luck to next year's Varsity team. Front: Ilya Livshin, Felix Chen, Co-captain Ben Honoroff, Co-captain Dave Steinbergh, Steve Jones, Dan Marshall, Yu Tang Chen

This year's Cross team used leadership and experience to forge out a 5-5 record in the very competitive Bay State Conference. We, the captains, want to thank all the guys who made it such a fun year and especially Coach Dave "Every place" Counts, who led us to our victory over perennial rival and defending Conference Champs Newton North for the first time in four years.

The motley array of talent was headed up by Steve "Splints" Jones and Yu "Wild" Tang Chen as well as fellow Seniors Felix "The Cat" Chen, Dan "Balki" Marshall, Ilya "Happy Face" Livshin, and exchange student Pal "The Swedish Fly" Magnesson. Aaron "Bif" Levine came on strong to lead the juniors with help from rookies "Welcome Matt" Ruane and Rhugved "Muhamma" Dali and a supporting cast of the committed Dave "Doogie" Paisner who finally drank his V-8. Dan "Woody" Rothstein, and newcomer Adam "Storm" Davis. Oh yeah, and how could we forget superstar freshman . . . I mean sophomore Dave Zak who will obviously be in the Olympics someday (ahem) and classmate phantom Wyly "Coyote" Brown.

Good luck next year, guys, you'll need it.

Your beloved captains, Ben and Dave

Girls' Cross Country

Tanya Miller (Captain), Lika Sudarov, Marta Jolesz, Victoria Shandalov, Lauren Geller, Ms. Allyson Toney

Each team member contributed in a unique and significant way; Tanya ran her first season well, constantly challenging herself and breaking her own limits. Lika ran well this season. Her ability to survive through tough situations and try harder next time was a real benefit. Lauren trained extremely hard and was a great friend and running partner. Marta's team spirit and strong sense of team unity helped hold us together throughout the season. Victoria came out for her first season and ran remarkably well. We were a close team and managed to overcome many obstacles. Ms. Toney, thank you for your belief in our team and constantly challenging us to be the best. Good luck next year!

We started out with hopes for a phenomenal season and we didn't have anything less than that. The entire team worked hard through everything, including our three-mile run in dangerously hot weather, our hill sprints, cramming in Lisa's "bus", our constant lack of a real bus, our pizza from Tony's, our blind defense *woman*, our grunting link, our shopping link, our mono-intested water bottles, our mile runs, our just waxed floors, playing Natick with one ref, sharing mouth guards, 3 warmup laps, the tree, the warrior, the tailgate buddies, follow the leader', fartletk (except Carrie), the stupid snapping handshake, Raisin bran, Fruitloops, the nonexistent game under the lights, tying Framingham, broken noses at Newton South, our Braintree wins, chicken fights, football, flip, ace bandages, pink clothes (Lara), hockey cheers, pulled quads, conditioning, stick work, questions like why you can't hit with the other side? and why do they whistle all the time? and what did you eat today? (a little birdie but only one), sobriety, shin splints, Tricia and all her wounds, Kara and her little dog, Lila and her pads, scoring two goals against Walpole, flats and throughs, wearing our skirts and our shirts to school, our jackets and our longsleeve t-shirts, our silent player (Beth) and our loudest (little Trisha), having Jennifer Caprioty as a coach and Wolfy as our driver, scissors, flicks, drives, GOALS!! nets, a field that doesn't go up hill, a coach that doesn't own race horses, locker room sleepovers, 1-800-VANDALS, fireballs, concentration bus sessions, one less player, cheers from our best fan, Wendy's mom.

No wonder we love each other so much.

Wendy and Lorch

Girls' Swimming

Our goal this year was not to have a winning record, but to check out the visiting boys' soccer teams. We succeeded. It was a year of jerry straps and ear infections (and conjunctivitis and cockroaches and new coahes). Putting our lives at stake, (literally) we managed to sell our M+M's (except for Julie, who ate all of hers.) We might have started the season with "18%" but we feel we finished as "0%." Never forget our stop on Route 9 to look for April's lost friends while COACH sold flowers car to car. We did succeed in setting one record, the international speed record for "Bingo" — 3.5 seconds. We're glad the Freshman Initiation worked out so well and that all of our meets were filmed by Cable. The only time Saturday practice drew a big crowd was when food was promised. On the subject of food, the pizza at Stacey's, the free food at Boston Latin, MacDonald's and our bake sales helped give us the energy to win (once in awhile). Margy — the Natick swim captains knew that it was you. Katie — keep the illegal drugs at home. On the serious side, we want to thank you guys for making our last season special. Our spirit was higher than it's ever been and we know we're leaving the team in good hands. Continue in the girl's swim team Spirit Superiority — We Love You! (Val White, swim tonight, Julie Lavelle, Margy Bergel, Stacey Weinstein . . . whatever!).

The season started out in a somewhat rocky fashion. What laid ahead of us was unknown. I think most people would agree that the pre-season did not look promising. However with the arrival of Chris Hafferty as our coach with assistance of Jimmy Locke, we pulled through quite well. And that is neither to discount the work we have all put in. All of us have pulled together into a winning team. (Even though we lost to Natick, Framingham and Newton North) We, the captains, are proud to have led you this far. Good luck in Bay States, sectionals, states and nationals, as well as seasons to come.

To the team — This season was not as successful as we had hoped it would be, but the amount of enthusiasm and good times we had overshadowed our record. At least we came back to show our stuff in our wins against Natick and Wellesley which only proved what we could have done. Most of all, this season we created strong friendships which we'll never forget.

Good luck next year to everyone. Now for some of our more memorable sayings and actions . . .

Ali — Weren't you afraid someone would come . . . on your knees? Spit Rachel a song! "Charles." Eagles Deli Posse.

Irita — Two at once?!?! "Money." Lorch's siamese twin. Sue or Iritsin. Like . . .

Abby — Want to go to a party? "Babs."

J.J. — Eagles Deli Posse. "Ice." How's that fractured skull of yours?

Amaris — Hungry much you little scrub? "D."

Lauren — Are you sure you can be here? Need some pads; you know knee pads? "M & M."

Although we did not get the undefeated season we had hoped for, this year's boys' basketball team certainly kept the winning tradition going. Our aggressive defense, depth, and up-tempo style of play allowed us to overpower almost every opponent we faced. The man behind our team's success is Coach Lance Tucker, undoubtedly the best coach in the state.

This season was quite a change from last year's. First of all, we doubled in size, got the highest Brookline score in 5 years, broke 100 pts., and WON!! We made ourselves a new Brookline reputation with our new warm-up outfits too. (New leotards next year?) We had some disappointments (1975 Walpole!), but we made up for them with our successes. I'll always remember our mutilated Brookline Beat, our bus ride pigging and singing sessions, our mastery of transporting the dead, uneven bars, and our "We Love Molly" fan club. This has been a great season thanks to all you guys. Keep it up and we'll have Wellsely and Framingham scared! I'll be back with roses for all your personal bests! Good Luck!

Okay, so we were 4-3. Yeah, it's bad, but let's not dwell on the record. Let's talk about the great men and memories on and off the track. Remember Ben "the Moonlighter" Honoroff whose duties as Heath School Basketball coach and New Kids on the Block member Danny Wood made track a secondary activity; Jason "Slingshot" Gould who flew so fast down at Downes Track — too bad it was on his face; Our boy "Peepin'" Tom Randolph whose presence in the girls' locker room overshadowed his two points this year; Steve "Psycho" Jones who attacked his race like Norman Bates; Pal Magnusson, a nice import from Sweden, but his Swedish jokes could've stayed across the Atlantic; Omar Tarpley who gave great haircuts as well as clearing the high jump; Dan Rothstein who for his own sake hopes to never see a hurdle again; "Acapulco" Will Uppington who vacationed at the wrong time; Felix Chen — if only his girlfriend had gone to every meet he would have been an all-star; Lawaun "Mr. Dash" Curry whose 5.6 second races made him the little big man of the league; B.J. Smith whose 49 ft shot put made him the BIG big man; Darren "Will these workouts help by backhand?" Tow was a pleasant surprise; Yu Tang ... I have a toomah; Dan Marshall whose great Michael Jackson impression had us laughing for days; The Tri-Captains: Alex "Grand" Parent who came out of the nursing home and didn't let his old age slow him down; Dave Steinbergh who in his dreams ran the two mile in under ten; and Ali Cater whose TV trivia knowledge was almost as important as his hurdle race. Can't forget Rick at Needham, Bozo and Thor at Newton, almost-brawls with Norwood and Newton, not cheering for the girls' team (because WE WERE BETTER!)

Keep up the fight — Alex Dave and Ali

Work to Rule

We, the undersigned students of Brookline High School, want to show our support for our teachers, especially now when they have to go to such extreme measures to show how disappointed they are with the lack of progress in contract negotiations. We value our teachers very much, and we're upset to see that they're undervalued in this process. The necessity of our teachers undertaking "work to rule" makes the learning experience extra hard for us, though we certainly understand why they are taking this step to express their grievances. We want to speed up the process of getting the tachers what they deserve, and we hope this petition will help resolve the situation as quickly as possible.

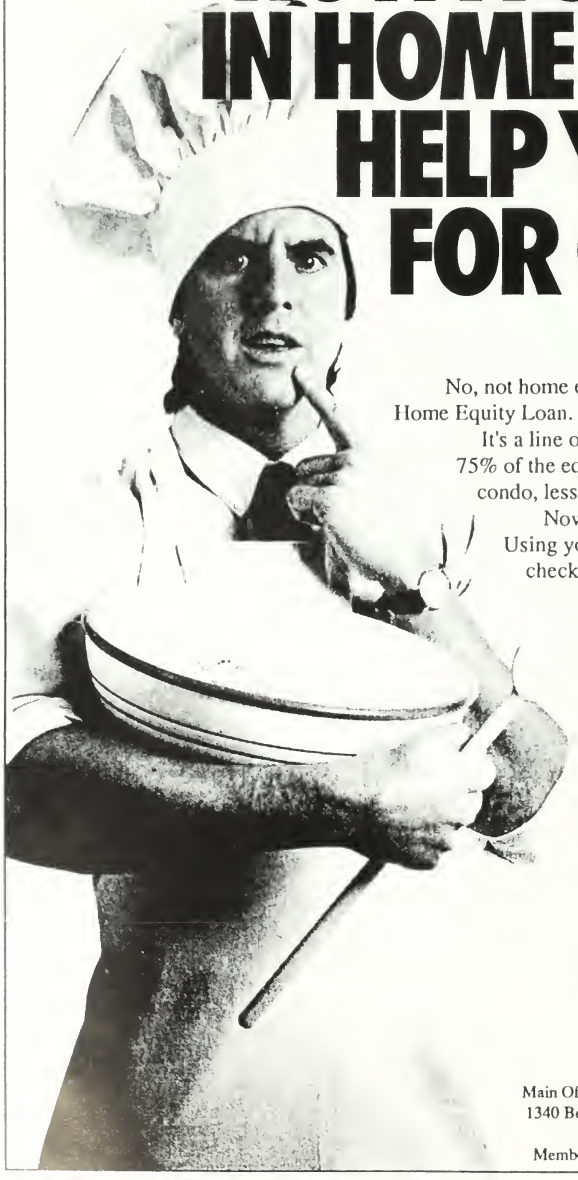
HOW A COURSE IN HOME EC CAN HELP YOU PAY FOR COLLEGE.



No, not home economics. Brookline Savings Bank's Home Equity Loan.

It's a line of credit that lets you borrow as much as 75% of the equity in your owner-occupied house or condo, less the first mortgage.

Now it's easy to meet those big college bills. Using your line of credit is as simple as writing a check. And, it may be tax deductible.

Because a Home Equity Loan is secured by the equity in your home, the rate is only 1 1/2 points above the prime rate published in the *Wall Street Journal*.

Take a quick course in home equity at any Brookline Savings branch today. Our customer service reps have all the facts. And all qualified home-owners are sure to pass.

Above my face is a map
where continents form and fade.
Blue countries made
on a white sea are erased,
and white countries traced
on a blue sea.

It is a map that moves,
faster than real, but so slow.
Only my watching proves
that island has being,
or that bay.

It is a model of time.
Mountains are wearing away,
coasts cracking,
the ocean spills over,
then new hills heap into view
with rivercuts of blue
between them.

It is a map of change.
This is the way things are
with a stone or a star.
This is the way things go,
hard or soft, swift or slow

Dear Carlin:

"Remember...most of what you really need to know you learned in kindergarten....LOOK...Learn some and think some and draw and paint and sing and dance and play and work everyday some...And when you go out into the world, no matter how old you are, it is best to hold hands and stick together."

Love always,

The charm, one might say the genius of memory, is that it is choosy, chancy, and temperamental; it rejects the edifying cathedral and indelibly photographs the small boy outside, chewing a hunk of melon in the dust.
